British and American Idioms Violeta Polikarenko

Research Paper from the year 2010 in the subject English - Grammar, Style, Working Technique, grade: 10, University of Latvia, language: English, abstract: People use idioms to express something that other words do not express as clearly or as cleverly. Often they use an image or symbol to describe something as clearly as possible and that make our point as effectively as possible.

An idiom is a group of words which, when used together, has a different meaning from the one which the individual words have. Many idioms are colourful and curious, and their origins are impossible to trace.
