In a world on the brink of chaos, only two people can balance opposing forces and restore order to the universe. To do so, the two must forge an intimate bond. Unfortunately, they're complete opposites who are unaware of their powers—and of the consequences if they fail to unite.

A lawyer with good reason to abhor violence, Irina is wary of her new client, a famous boxer accused of murder. As a street orphan, Tyr learned to fight for survival and trust no one. Despite their differences, the two find themselves irresistibly drawn to each other.

With secret forces working both for and against their alliance, Tyr and Irina find themselves on a journey fraught with danger, betrayal and overwhelming desire. Ultimately the fate of billions rests in the hands and hearts of two lost souls who must overcome their fears and learn to trust each other.
