## **Cómo leer en bicicleta (Spanish Edition)** Gabriel Zaid

Este "es un libro alegre, juguetón, por momentos soberbiamente irresponsable, que tiene la capacidad, más bien infrecuente en la literatura de nuestros días, de excitar la inteligencia y provocar carcajadas al mismo tiempo. Zaid ha conseguido sortear los lugares comunes del artículo cultural corriente, y sus ensayos son sistemáticamente anticonvencionales.

[...] Otra virtud que tiene el uso irresponsable (es decir, lúdico) del saber científico en materia de literatura - aparte de producir textos brillantes y divertidos- es que proporciona una especie de alivio. A quienes creen que en esta era de computadoras y robots inteligentísimos la literatura puede desaparecer como quehacer humano al recibir el impacto de la ciencia, los ensayos de Zaid les demuestran que no hay nada que temer. Si la colisión se produce, al menos en este caso, es el supuesto Frankenstein el que se desintegra al tocar la mariposa, es la ciencia la que se vuelve poesía".

**Mario Vargas Llosa**
