Economía española y del País Valenciano (Spanish Edition) Vicent Soler Marco

Uno de los objetivos de este libro es que el lector conozca de manera sencilla, pero con todo el rigor que reclama la materia, cuál es la realidad económica valenciana y española en el marco europeo. Asimismo, proporciona la información necesaria para profundizar en el conocimiento de los factores determinantes del crecimiento económico y de las características y comportamientos de los agentes económicos y sociales, particularmente de los tres agentes institucionales de más trascendencia: la Generalitat Valenciana, el Gobierno de España y la Unión Europea. Una obra, en definitiva, que interesará a un público amplio porque, además de ser un manual de consulta obligada para el mundo universitario, quiere ser al mismo tiempo una referencia para los actores que protagonizan diariamente la vida económica valenciana y española.
