David A. Clairmont

*Moral Struggle and Religious Ethics* offers a comparative discussion of the challenges of living a moral religious life. This is illustrated with a study of two key thinkers, Bonaventure and Buddhaghosa, who influenced the development of moral thinking in Christianity and Buddhism respectively.

- Provides an important and original contribution to the comparative study and practice of religious ethics
- Moves away from a comparison of theories by discussing the shared human problem of moral weakness
- Offers an fresh approach with a comparison of the understanding of the problem of moral weakness between the two key thinkers, Bonaventure and Buddhaghosa
- Written by a highly respected academic in the dynamic and fast-growing field of comparative religious ethics
