Pennies From Across the Veil is a love story... about death. Karl Himmel tells the story to an unknown presence, of how he met, fell in love, and married the woman of his dreams, Jenny Engels. But at the time of the telling, Karl and Jenny find themselves on different sides of the veil—the separation we call death.

But not even death can stop true love.

Powerful signs come to those from loved ones who have passed. They can be found any and everywhere, we just need to look for them. The most significant for Karl and Jenny was the finding of numerous wheat-back pennies. However, could there have been many others, and did these signs have a deeper meaning?
