Taking Sides (Zephyr Ranch Book 3) Nessa Vincent

Genre: LGBT, Fantasy & Paranormal

Series: Zephyr Ranch; Previous Book: Naked Truth

Trav can't say no to a challenge, especially one that comes in a sexy package. Rival real estate agent Nils has never had a kind word for Trav, but when they get stuck in a house both men are trying to sell, Trav's touch melts Nils's icy exterior. The unexpected hookup brings really unexpected results: suddenly, fantastic creatures are fighting on all sides, and Nils turns into a huge black dog with strange powers.

They get away from the battle, but things only get weirder. They learn that their hookup has made them part of the supernatural world, which is rife with unrest, and that the two of them are now bound together. Just one question remains: how can they be soul mates when they can't stop fighting?

Though they can count on those fights to lead to incredible sex, Nils fears that's not going to be enough when he and Trav regularly compete for sales. Trav can't get through Nils's standoffishness, not until he volunteers them to help take out supernatural kingpin Cyril Soldati. To get out in one piece, they have to work together, but even that may not be enough to survive the supernatural storm that's coming.
