Into a complacent generation God placed Dawson Trotman. Full of contagious zeal, drive, and creativity, Trotman helped awaken those around him and exhorted Christians to single-mindedly obey God. Thousands responded to his challenge of fruitful discipleship. Now his challenge goes to you.

*The Navigator* will motivate you to joyfully obey God more. It will invite you to share in Trotman's "bifocal vision": a consuming passion for the salvation of the world and also for the spiritual nurturing of one individual. He once said, "If you care for one, God can give you a burden for the world." Through the worldwide Christian organization he founded, The Navigators, Trotman helped bring back some forgotten biblical truths: the importance of personal follow-up, one-on-one training, and the multiplication of disciples.

Author Robert D. Foster, a longtime Navigator associate, combines his own personal recollections, interviews with those who knew Trotman, and Trotman's conference messages to portray a man who was unconventional and fun-loving—a strong disciplinarian with a compassionate heart. Let *The Navigator* help you find what God wants for your life, and then help you wholeheartedly do it!
