Witched At Birth (A Paris, Texas Romance Book 1) Dakota Cassidy

Re-Release

A small town, a parole officer, and the blazing Texas heat, all wrapped up in a laugh-out-loud romantic comedy from national bestselling author, Dakota Cassidy. Paris, Texas will never be the same after not-so-good witch Winnie serves out her parole with determination ... determination to get out of this small town and back to the 'real world'. *Witched At Birth* will keep you turning the pages of this paranormal contemporary romance as you discover the secret hiding in the shadowy corners of Paris...Texas that is!

Freshly sprung from witch jail, Winnie Foster just has to fulfill the conditions of her parole and she's home free.

Too bad that parole takes place in Paris. (Texas!) Where she'll work at a school for the magically inclined. (KIDS!) And be forced to endure the ex, who's one of the very reasons she landed in the pokey to begin with. (GAH!!)

Bratty tots, sexy ex, timed showers, creepy dolls, magic restrictions, and a GPS with an attitude, all wrapped in a Texas town hotter than the surface of the sun? Oh yeah. No way this could go wrong...

Dear readers, This was a previously released title in the anthology *Twelve Shades of Midnight* (October 2014). Also, please note, I've taken license with the lovely town of Paris, Texas, because it worked so perfectly for my witch Winnie and her journey. First, I turned the town into a paranormal-palooza—dripping with witches and magic. Second, I've fictionalized it to a degree, creating street names to suit me and places I'm certain don't exist, but I kept the amazing Eiffel Tower with the red cowboy hat on top—because it's just too awesome a structure to ignore. That said, to anyone who reads this and lives in Paris, no disrespect intended. I lived in Plano, Texas, for nine years and I love Texans. Y'all are some of the best folks on the planet! Dakota Cassidy xxoo
