*Angelic Tails* is a collection of down-to-earth true stories from ordinary people who believe that God has graced their lives through heavenly canine companions. Each of the 30 stories challenges readers to reconsider their conception of angels - from the story of a former Air Force colonel whose golden retrievers served as his heavenly helpers in the Colorado wilderness to the account of St. John Bosco, who, for more than 30 years, was protected by an angelic dog as he walked the dangerous city streets. In the end, for all who see through the eyes of faith, this book is evidence that God can use even muddy paws and cold noses to fulfill his purposes in our world.
