Michel-Ange (French Edition) Amazon Digital Services Inc.

Les réalisations de Michel-Ange comme sculpteur, peintre, architecte et dessinateur, revêtent un caractère tout à fait unique. Aucun artiste avant ni après lui n'a jamais créé d'oeuvre aussi vaste, aussi polysémique et diversifié par-delà les limites des genres. Jusqu'à nos jours, rares sont les peintres ou sculpteurs qui ont accédé à un statut social et à une liberté artistique comparables. Ceci ressort aussi bien des fresques de la chapelle Sixtine que des sculptures monumentales et des projets architecturaux, tous uniques en leur genre et qui survolent hautement les conventions de l'époque.

Cet ouvrage se veut une tentative de présenter par le texte et l'image, de manière réellement exhaustive, les immenses réalisations de Michel-Ange dans les domaines de la sculpture, de la peinture, de l'architecture et du dessin. Ce propos a été réalisé au travers d'une partie principale richement illustrée sur la vie et l'oeuvre de l'artiste, et de quatre catalogues tout aussi richement illustrés conçus comme des inventaires analytiques complets des sculptures, des peintures, des architectures (y compris celles qui ne furent jamais réalisées) et des dessins.

Une telle exhaustivité dans la présentation systématique de l'oeuvre complet de Michel-Ange n'avait encore jamais été réalisée auparavant. La présente publication réserve aussi une place jusqu'ici inédite aux conditions de vie de Michel-Ange - en particulier à sa solitude et son besoin d'être aimé, ses difficultés avec ses collègues et ses commanditaires, son amour de l'argent l'incitant à vouloir exécuter toujours plus de commandes.

Elle se penche enfin sur la question de l'attribution des dessins de Michel-Ange. Dans le contexte d'une controverse dictée jusqu'à nos jours par les intérêts du marché et des grandes collections, cet ouvrage entend jeter une nouvelle base pour de futurs débats.
