A Day in Life: A Collection of Poems Machaga Johns

Machaga Nathaniel Johns has been writing for fourteen years. A Day in Life: A Collection of Poems is filled with his incisive observations on life. A rapper and poet, he produced this stunning collection to express all the different lives that one inner city mind could ever think to meet. As someone who has overcome health problems, he says, "Each poem is different from first to the last." And you won't want to miss one. Machaga Johns is a lifelong resident of St. Paul, Minnesota. "I love to rhyme and put it down on paper to hear it back. What truly inspires me is the ability that I have to freestyle (rapping off the top of my head). I have read my work at various coffee shops and nightclubs throughout the Twin Cities area." Publisher's website: <http://sbpra.com/MachagaJohns>
