In the Bleachers: Fishing (UDig) Steve Moore

The world of sports is tough, competitive, and often hysterical. Steve Moore highlights the humor of sports and creates moments of absurdity in his comic strip *In the Bleachers*. In this e-book original compilation, the sport of fishing becomes less of a relaxing day on the water, and more a battle of wits between fish and unsuspecting fishermen. The comic wit of these shrewd fish while they attempt to bait their human predators accompanies the grisly and ironic illustrations that Steve Moore is known for.

This latest compilation of *In the Bleachers* features Steve Moore's unique comedic style that has propelled his career from journalism to TV/feature film animation. He has had huge success in the industry with two animated feature films and 26 animated shorts for ESPN. Moore's success has not diminished his devotion to his comic strip as he continues to draw from his experience to give each of his comics a fresh and hilarious take on sports.
