Journey to Titanic Roger Bansemer

Artist Roger Bansemer gets an unexpected invitation to dive two and a half miles down into the Atlantic to the site of one of the most famous shipwrecks in history. Armed with his artist's eye and insight, he embarks on an expedition on a Russian research ship to the "Titanic. In this compelling journal, Bansemer's writing and stunning visual work bring us into the adventure, relaying the colorful characters on the expedition, the history and past grandeur of the "Titanic, and the aching beauty of the ship's underwater remains. "Titanic, as everyone knows, sank when it hit an iceberg on its maiden voyage in 1912. It was not seen again until the mid-80s when technological advances led to the development of submersibles capable of diving to that depth. Bansemer became the 112th person to dive to the "Titanic, the sixth person under the stern, and the first artist to have painted Titanic on site. This book chronicles his journey in a mixture of paintings, photos, and digitally-painted images. Bansemer's fascination with painting people, especially the salty, nautical types, finds full expression. Meet buddy Lowell and diving partner Ralph; various Russian crewmen including Bird Man Pierre, Pirate Skippy, the cooks, the "cowboy" who "rides" the submersible; "Keldysh Captain Gorbach; and many others. Bansemer captures them all in their most characteristic poses. The star is always the "Titanic, majestic even at the bottom of the sea. Bansemer pays tribute to the many people who went down with her, acknowledging her role as their memorial resting place. This book, Roger Bansemer's written and painted journal of his journey to "Titanic, is also offered in their memory.
