**There is one woman who is all that stands between us and the eternal night.  
Here is an account of her legend....**

All Damali Richards ever wanted to do was create music and bring it to the people. Now she is a Spoken Word artist and the top act for Warriors of Light Records. But come nightfall, she hunts vampires and demons—predators that people tend to dismiss as myth or fantasy. But Damali and her Guardian team cannot afford such delusions, especially now, when a group of rogue vampires have been killing the artists of Warriors of Light and their rival, Blood Music. Strange attacks have also erupted within the club drug-trafficking network and drawn the attention of the police. These killings are a bit out of the ordinary, even for vampires. No neat puncture marks in the neck to show where the life's blood has been sucked from the body. These bodies have been mutilated beyond recognition, indicating a blood lust and thirst for destruction that surpasses any Damali has encountered before. Damali soon discovers that behind these brutal murders is the most powerful vampire she has ever met, and this seductive beast is coming for her next. But his unholy intentions have also drawn the focus of other hellish dark forces. Soon Damali finds herself being pulled deeper into the vast and horrifying vampire world.
