BOOK #1: Selling On eBay: Amazing Guide With Outstanding Tips for Selling Items on eBay for Absolute Beginners

The average amount that you can make from the “junk” from your attic is \$400. Case studies indicated that people were able to raise \$2,000 by selling unwanted material in the house. eBay provides an excellent platform for you to sell just anything.

The online marketplace is a virtual store offering you with endless possibilities. For example, with a single advertisement, you can sell a product to millions of people across the globe. The book provides you with useful insights and tips that give you the ability to sell a product on eBay. You will learn the procedure that enables you to setup account, post the advertisement, choosing the membership, and shipping. Additionally, you will discover about the importance of quality of the product, its effect on the user, and feedback.

The book covers the following essentials:

- Outline of the online shopping and advantages
- Beginning with eBay
- Understanding the importance of advertising
- All about product description
- Choosing the payment method
- Packaging and shipping

BOOK #2: Network Marketing: 20 Amazing Lessons on How to Build a Successful Team and Become a Network Marketing Guru

Network marketing is a popular choice for people looking to start their own business from home that will allow flexible working hours and the possibility for a good income without the numerous headaches that come with being employed by a company. In addition to selling a company's products from your own home, network marketing gives you the opportunity to recruit other sales representatives, commonly referred to as `commissions`. The sales of any commissions you recruit will generate income for you, and they can then go on to recruit further commissions of their own. The expanding network of commissions is known as your `downline`; the greater your downline, the more money you stand to make!

This book offers you 20 lessons in setting up a successful network marketing business of your own, covering the following areas:

- The Fundamentals
- Promoting your Business
- Creating Content for your Audience
- Interacting with the Market
