Pitch Dark Brooke London

Blush: This is a suggestive romance (love scenes are not graphic) Alyssa must protect her grandfather's cutting-edge, environmentally friendly oil sands extraction technology—and his life. Forced into dealing with her grandfather's chosen partner, Connor, a wildcard business mogul and ex-CIA spy, she knows she can't trust him. Connor resents that Alyssa has the final say on his multimillion dollar partnership. When someone tries to kill them both, they are thrust together and their mutual attraction sparks hot enough to heat the sheets to searing intensity, despite their mutual distrust. Together they race between his headquarters in Colorado and the oil sands of Alberta to stay one step ahead of the terrorists who are determined to stop them at any cost. It will take their combined cunning and courage to survive the explosive and treacherous covert world of espionage, betrayal, terrorists and spies. But even if they do, can they survive the secrets they are keeping from each other?
