Change of Heart

Sandra D. Bricker

Change of Heart Sandra D. Bricker

Sage McColl has the ideal life: she is rich, she has the perfect boyfriend, she is pampered, spoiled and living in luxury. But when her boyfriend turns out to be a dangerous criminal her best-laid plans go awry. After a terrible turn of events she is forced into hiding in a most unexpected place—an orphanage in Mexico.

Ben Travis' life as a missionary, and head of the orphanage, has not prepared him to deal with a spoiled rich girl who hardly knows the difference between a baby's rattle and potato peeler. But when Sage seeks asylum at Ben's impoverished orphanage, he must manage a balance between the safety of the children in his care and that of a woman who has captured his heart. And she must wade through the swirls of emotion caused by this unusual man.

From reader reviews:

Mary Perry:

In this 21st centuries, people become competitive in each and every way. By being competitive today, people have do something to make these people survives, being in the middle of the crowded place and notice through surrounding. One thing that often many people have underestimated this for a while is reading. Yes, by reading a reserve your ability to survive enhance then having chance to stay than other is high. For you personally who want to start reading any book, we give you this particular Change of Heart book as basic and daily reading reserve. Why, because this book is more than just a book.

Michael Quintanar:

As people who live in the particular modest era should be up-date about what going on or facts even knowledge to make these keep up with the era and that is always change and progress. Some of you maybe will probably update themselves by examining books. It is a good choice for yourself but the problems coming to you actually is you don't know which you should start with. This Change of Heart is our recommendation to make you keep up with the world. Why, because book serves what you want and need in this era.

Johanna Land:

Reading a e-book tends to be new life style in this particular era globalization. With looking at you can get a lot of information that could give you benefit in your life. Having book everyone in this world may share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their reader with their story or even their experience. Not only the storyplot that share in the textbooks. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors in this world always try to improve their skill in writing, they also doing some research before they write for their book. One of them is this Change of Heart.

Ruth Zimmer:

With this era which is the greater man or who has ability to do something more are more treasured than other. Do you want to become one among it? It is just simple solution to have that. What you must do is just spending your time little but quite enough to experience a look at some books. On the list of books in the top checklist in your reading list is actually Change of Heart. This book that is qualified as The Hungry Mountains can get you closer in turning into precious person. By looking right up and review this publication you can get many advantages.
