Dead divorcees. Demonic possession. Elise Kavanagh stabbing things and...baking cookies? It's just another bloody Valentine's Day in the life of a demon hunter and her witchy partner.

This is a short story about the length of two chapters in my other books (9000 words), which takes place before the events of Death's Hand. It's a gift to my existing readers, who believe deep in their hearts that James's butt needs to be slapped once in a while. I agree completely, readers. Trust me.

Happy Valentine's Day! :)
