Quandary (I Found My Heart in San Francisco Book 17) Susan X Meagher

In Quandary, the seventeenth book of the I Found My Heart in San Francisco series, summer has arrived and with it—Graduation.

Graduation was supposed to be an ending—the final act in a long, academic sprint. But Ryan’s running harder than ever—so hard she won’t have time to even attend her ceremonies. She’s not about to complain...much. Finally playing in the NCAAs is the real culmination to her college career, and she’s going to make the most out of the opportunity.

Jamie’s taking things much more in stride. She’s giddy about the prospect of spending days lounging around the house, reading and reflecting. They’ll finally have time to relax and make some plans for the future—if she can only figure out a way to get Ryan to relax along with her. That’s much easier said than done.

Their lives wouldn’t be normal without a few bumps and jolts along the way. That’s their normal. But Mia and Jordan are back, they’re with their families and they’re all racing for home.
