Song of God: Living Gnosis of the Ahgendai Azrael Ondi-Ahman

The 'Song of God' is a new book of scripture revealed by our Heavenly Parents for the benefit and progression of all humankind. This revelation was brought forth by Azrael Ondi-Ahman who, in 1979, began receiving visitations by highly evolved, glorified human beings who identified themselves as God. After seven years of instruction, Azrael was commissioned to begin writing what would become the foundation for a new dispensation, and a new humanity.

The foundation upon which the True Gnostic Church has been restored, the 'Song of God' begins with the premise that the only proper religion for mankind is humanity itself, for it is from this humanity that God first evolved, for God, who is our future, came from humans, who are Their past.

Extraordinary in depth and scope, the 'Song of God' is a true restoration of gnosis. Both radical and affirming, this modern revelation is an anthem of knowledge, myth and mystery that will sing to the heart and uplift the mind. The 'Song of God' is a grand unification of wisdom and truth, confirming with sound clarity the beauty, value and potential of humankind. This book presents a new standard, a new choice that both challenges and empowers us to let go of hurtful dogmas and move forward into an age of greater peace and understanding.
