Stewards in the Kingdom: A Theology of Life in All Its Fullness

R. Scott Rodin

Stewards in the Kingdom: A Theology of Life in All Its Fullness R. Scott Rodin

Too often we think stewardship concerns only the money we give to the church. But in the image of the steward, the Bible offers a perspective on our entire relationship with God. Here we have a full and fresh picture of being Jesus' disciples and living life in all its fullness.

R. Scott Rodin unpacks what it means for us to be stewards in the kingdom of the triune God of grace. This theology of the abundant life, which encompasses all aspects of our world, our life and our possessions, begins, appropriately, with the very being of our gracious Creator God. From there Rodin dismantles the myth of the two kingdoms, one that is under God's control and one that is not. In so doing he crafts a portrait of faithful stewards who live as God's children in the one reality that is marked by death behind us and life ahead.

The book concludes with a discussion of the roles of church and family as stewards while providing a theology for the Christian fundraiser.

Here is a unique and much needed book on a neglected biblical theme.
