The Ecstasy of Enlightenment: Teaching of Natural Tantra Thomas Cleary

The Ecstasy of Enlightenment is an inside look at the spiritual world of Tantra one of the most sophisticated, alluring, and controversial forms of Buddhism. Cleary unlocks the mysteries of the Caryagiti, a collection of teachings by more than twenty famous Siddhas, or Tantric adepts, who lived during the illustrious Pala dynasty of old Bengal. These teachings emanate from one of the most dynamic sources of international Buddhism, at the height of its religious development, and as such, they are completely nonsectarian. Particularly noteworthy is Cleary's demonstration of the parallels between Tantric Buddhism in Old Bengal and the original Zen Buddhism of China.
