There is nothing more beautiful for me than helping people, and with messages from the afterworld, I help them release their fear of death. So much healing takes place.”

With the precision of his afterworld messages, Pascal Voggenhuber has made a name for himself in a very short time, both in Switzerland and beyond the Swiss borders.

In his book he describes his work in his practice, explains how contact with the afterworld functions, and how he makes contact with the spiritual world. Using numerous examples from his practice, Voggenhuber explains how the deceased make their presence known to him. The moving messages he shares - that there is life after death and the deceased are always with us - have comforted many people.

A moving book that offers readers comfort and strength.
