A lonely single parent finds love at Christmas in this warm, festive romcom

Single mother Meg is determined to give her four year old son a Christmas he'll never forget: a day with turkey and all the trimmings, a glittering tree guarding a pile of presents, and a stocking hung up by a roaring fire. As a child in foster care, Meg always dreamed of her perfect Christmas, and she can finally make it come true. Who cares if there's no devoted husband in the picture? She and Lucas will be just fine on their own. But then a chance meeting with a handsome stranger in New York unravels everything she's planned. Will Meg finally get the Christmas she deserves, or will she be alone this Christmas after all?
