Witch High

High school is different for everyone. For some, it's a time to shine, and for others, a time to survive. Then there are the students who attend those special schools for the gifted. But what if there was a school that catered to those rarest of students—those who can do magic?

And if you needed more time to study, what spell could give you all the time you desired? These are just a few of the magical adventures that will await you when you enter Salem Township Public High School #4—otherwise known as Witch High...
