For the past decade, the Golden Retriever has ranked among the five most popular breeds registered with the AKC, with more than 65,000 Golden Retrievers registered every year. The Golden Retriever's personality is as golden as his outer coat. He was bred to please, and please he does. He started out as a hunting partner who delivered birds to hand and has evolved into modern times delivering whatever suits his owner's fancy. Because Golden Retrievers were originally bred to work in tandem with humans, they are also highly trainable.
