Sky and Sea (God's Creation Series)

Michael Carroll, Caroline Carroll

Sky and Sea (God's Creation Series) Michael Carroll, Caroline Carroll

And God said, "Let there be a huge space between the waters..." And that's exactly what happened...God called the huge space "sky." -Genesis 1:6-8 (NirV) In Sky & Sea, kids explore the water cycle of our very wet planet-the vast seas below and the great ocean of air swirling above them, with its clouds full of rain and snow. From dramatic storms and crashing lightning to the aurora borealis and shimmering rainbows, amateur scientists learn how air and water work together to make this planet livable, in kid-friendly language and concepts. Add drawings, photos, and fun facts, and kids see God's wonderful blueprint for life in the vastness of the sea and sky.
