Tory has been bumped from foster home to foster home for most of her nine years. Living with yet another new family, this time on a horse ranch for the summer, she falls in love with Lucky, the friendly pony she is allowed to ride. A nearby forest fire forces the family to evacuate, and Tory is devastated when Lucky has to be left behind. With no choice but to stay in town until it's safe to go back to the ranch, Tory feels as out of place as ever, and her worry for Lucky's safety makes matters worse. Like Tory, Lucky is a survivor. He escapes from the fire into the woods, where he faces hardship and danger, from lack of water to a brush with a pack of hungry wolves. Will pony and girl find each other again? Kindred spirits, neither of them will stop until they find a way home, wherever that may be.
