Uncivilized Nation: America's War Against Its Own People Mr. Eric Richard Wise

The "Land of the free" leads the world in using cops as soldiers in a war against its own citizens. Have Americans become a lawless people, or are their governments creating crime, and constricting human nature to the point that it is impossible to obey the law? This book opens with an expose' on the techniques used by the state to dehumanize any citizen so he can be captured, subdued, and enslaved. Wise reveals the motives of officials as they manipulate the masses into believing dangers arise from sources other than their actual ones. The second section contains an in-depth analysis showing America's sexual age laws to be at odds with the rest of the world's. This features the sexting craze and the system's arbitrary designation of teens as adults or children
