Dr. Arnold Relman, Professor Emeritus at Harvard Medical School and former editor-in-chief of *The New England Journal of Medicine* brings together sixty years of experience in medicine in a book that holds the keys to a new structure for healthcare based on voluntary private contracts between individuals and not-for-profit, multi-specialty groups of physicians. Timely, provocative, and newly updated, *A Second Opinion* is a clarion call to action. If we heed Dr. Relman's plan, Americans could at last achieve a lasting, sensible solution to national healthcare.
