Antes (Spanish Edition) Ligia Orellana

El nuevo libro de la Colección 80 Mundos #Novela sumergirá al lector en un relato equilibradamente contradictorio, donde lo hará parte de cuestionamiento valórico que lo enfrentará con sus propias creencias. Porque la historia que presenta la autora apuesta a romper esa delgada línea que equilibra los polos de la vida.

El universo de este libro es complejo: no hay héroes, no hay villanos. Por lo menos, no los tradicionales. Estos monstruos son humanos en tanto pueden generar ternura, pero también ser aterradores. El sentido común se pone a prueba. Es un ejercicio un tanto filosófico y obliga al lector a discutir sus propios límites: el bien y el mal, esa línea moral tan delicada.

Todos creemos ser buenas personas, nadie hace lo «incorrecto» pensando que está haciendo lo incorrecto, la inconsciencia o el autoengaño del que obra mal: ahí está lo más temible. Estamos acostumbrados a temer al villano que arma un plan para hacer sus pecados, no al héroe que termina siendo villano.
