Bolivia. El modelo de economía plural (Spanish Edition) Gabriel Loza

El desempeño de la economía boliviana del 2006 al 2012 ha despertado diversas interrogantes sobre el tipo de modelo económico que Bolivia estaría aplicando desde la asunción del Presidente indígena Evo Morales. Los resultados positivos han sido reconocidos por organismos internacionales como CEPAL, FMI, Banco Mundial, BID y la CAF e incluso por la revista América Economía.

La respuesta que daban los economistas del Modelo Económico Neoliberal, vigente desde 1985 hasta el 2005, es que se trataba de un Modelo Populista, básicamente el retorno al populismo anterior a 1985 y similar al populismo de algunos países como Ecuador y Venezuela. Otros textos referenciales de los economistas neoliberales eran los comentarios periodísticos de Andrés Openheimer y de Mario Vargas Llosa, que suelen poner en un mismo grupo a Bolivia, Venezuela y Ecuador, así como el viejo Manual del Perfecto Idiota (Apuleyo, Montaner y Vargas 1996) que predicaban las ventajas del modelo neoliberal y no creen en la viabilidad de un modelo alternativo.

Gabriel Loza busca, con este trabajo, describir los avances de la economía boliviana en el marco de un nuevo modelo económico, la economía plural, acudiendo a indicadores económicos y un marco teórico sólido

Lectura indispensable para comprender el éxito económico boliviano

From reader reviews:

Bonnie Fernandez:

Book is written, printed, or illustrated for everything. You can learn everything you want by a guide. Book has a different type. We all know that that book is important factor to bring us around the world. Next to that you can your reading ability was fluently. A guide Bolivia. El modelo de economía plural (Spanish Edition) will make you to possibly be smarter. You can feel much more confidence if you can know about every little thing. But some of you think which open or reading any book make you bored. It's not make you fun. Why they can be thought like that? Have you seeking best book or acceptable book with you?

John Enriquez:

In this 21st millennium, people become competitive in each way. By being competitive currently, people have do something to make these people survives, being in the middle of typically the crowded place and notice by simply surrounding. One thing that occasionally many people have underestimated the item for a while is reading. Yeah, by reading a reserve your ability to survive increase then having chance to stand up than other is high. To suit your needs who want to start reading some sort of book, we give you this specific Bolivia. El modelo de economía plural (Spanish Edition) book as starter and daily reading publication. Why, because this book is greater than just a book.

Dale Winsett:

Reading a book to be new life style in this season; every people loves to go through a book. When you learn a book you can get a large amount of benefit. When you read books, you can improve your knowledge, due to the fact book has a lot of information into it. The information that you will get depend on what kinds of book that you have read. If you wish to get information about your review, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, such us novel, comics, along with soon. The Bolivia. El modelo de economía plural (Spanish Edition) will give you new experience in studying a book.

Larry Luis:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library or make summary for some guide, they are complained. Just minor students that has reading's spirit or real their hobby. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that looking at is not important, boring in addition to can't see colorful photos on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Bolivia. El modelo de economía plural (Spanish Edition) can make you really feel more interested to read.
