*It is a truth universally acknowledged that Lady Catherine will never find a husband for Anne...*

When a fortuitous accident draws Anne away from Rosings and her overbearing mother's direct influence, she is able to think and act for herself for the first time ever. In the society of her cousins Darcy and Georgiana, and, of course, the lively Mrs. Darcy, Anne reveals a talent for writing and a zest for life.

Meanwhile, Lady Catherine is determined to choose a husband for Anne. But now that Anne has found her courage, she may not be so easy to rule.

Anne de Bourgh is a sympathetic character whose obedience and meekness were expected of women in her day. As she frees herself from these expectations, Anne discovers strength, independence, and even true love in a wonderfully satisfying coming-of-age story.
