Legítima defensa (Spanish Edition) John Grisham

Un pleito de millones de dólares y un abogado de pacotilla...

Un *thriller* judicial sobre las injusticias de las grandes compañías y el valor verdaderamente frágil que tiene para ellas la salud.

Rudy Baylor es un abogado recién licenciado: tiene un caso, solamente uno, para saldar sus crecientes deudas. En él, debe enfrentarse a una gigantesca compañía de seguros, que podría haber salvado la vida de un hombre joven pero prefirió negarse a sufragar sus gastos médicos hasta que fue demasiado tarde. El litigio se podría cerrar con una condena de varios millones de dólares, pero hay un problema: Rudy no ha hablado nunca ante un tribunal. Y además debe enfrentarse a los abogados más caros, a profesionales que están acostumbrados a moverse entre mares de dinero.

Reseñas:

«Es el mejor escritor de *thrillers* vivo.»

Ken Follett

«Nos tiene pasando página hasta mucho después de la hora de ir a dormir... tan emocionante como una persecución de coches cargados de dinamita.»

Daily Mail
