**The Cockroaches of Stay More (Stay More series)** Donald Harington

With this wonderfully irreverent comic novel, Harington leaves off chronicling the human inhabitants of the Arkansas Ozark town of Stay More and turns his attention to its insect world. In depicting the cockroach community, who perambulate on gitalongs, apprehend their environment through sniff whips and commit unwitting malapropisms about the mysterious world of Man (and Woman), Harington unleashes a sprightly, antic imagination.
