**The Gold Diggers: A Novel** Paul Monette

**Paul Monette's uproarious, sexy novel takes us deep into the glamorous world of vintage Los Angeles**

Perched on top of a hill in the oldest part of Bel Air, Crook House is the grand mansion that gilded Hollywood dreams are made of. It seemed like the perfect place for the exhausted and neurotic Rita to take time away from her life and catch up with her old friend Peter and his lover, Nick. What she didn't count on was her friends' emotional baggage, not to mention the suspicious tales of a buried treasure underneath the house.

This second novel from Paul Monette puts a tender focus on the ways in which money and time can distort relationships, while also demonstrating how the ties between friends can endure—and even grow stronger—no matter what the distance or history. As Rita, Nick, and Peter get closer to unraveling the mystery buried underneath Crook House, they begin to learn that what they are searching for could be the key to their very survival.

This ebook features an illustrated biography of Paul Monette including rare images and never-before-seen documents from the Paul Monette papers of the UCLA Library Special Collections.
