The Watchtower Lee Carroll

What secrets are hidden in her past . . . ?

Jewelry designer Garet James is still coming to terms with the astounding revelation in **BLACK SWAN RISING** that she is the last in a long line of women sworn to protect the world from evil. Now she has received a sign from Will Hughes, the 400-year-old vampire who once helped her defeat the evil threatening to destroy New York City. Hughes, tortured by his own violent history which is vividly reenacted here, has asked her to join him on a quest to rid himself of his curse of vampirism. While looking for Will in Paris, Garet encounters a number of mysterious figures—an ancient botanist metamorphosed into the oldest tree in Paris, a gnome who lives under the Labyrinth at the Jardin des Plantes, a librarian at the Institut Oceanographique, and a dryad in the Luxembourg Gardens.

Each encounter leads Garet closer to finding Will Hughes, but she realizes that she's not the only one who's trying to find the way to the magical world called the Summer Country. As Garet struggles to understand her family legacy, each answer she finds only leads to more questions—and to more danger....

From reader reviews:

Deborah Allen:

Throughout other case, little persons like to read book The Watchtower. You can choose the best book if you'd prefer reading a book. As long as we know about how is important some sort of book The Watchtower. You can add knowledge and of course you can around the world by way of a book. Absolutely right, mainly because from book you can recognize everything! From your country until finally foreign or abroad you can be known. About simple thing until wonderful thing you are able to know that. In this era, we can open a book as well as searching by internet product. It is called e-book. You can use it when you feel bored stiff to go to the library. Let's learn.

Mary McCollum:

People live in this new morning of lifestyle always attempt to and must have the free time or they will get lot of stress from both everyday life and work. So , when we ask do people have spare time, we will say absolutely of course. People is human not a robot. Then we question again, what kind of activity are you experiencing when the spare time coming to anyone of course your answer will probably unlimited right. Then do you ever try this one, reading guides. It can be your alternative in spending your spare time, typically the book you have read is actually The Watchtower.

Ellis Dunn:

Are you kind of busy person, only have 10 or perhaps 15 minute in your moment to upgrading your mind proficiency or thinking skill perhaps analytical thinking? Then you are receiving problem with the book when compared with can satisfy your short period of time to read it because pretty much everything time you only find publication that need more time to be study. The Watchtower can be your answer since it can be read by anyone who have those short time problems.

Karen Rodriguez:

Do you like reading a book? Confuse to looking for your chosen book? Or your book seemed to be rare? Why so many question for the book? But virtually any people feel that they enjoy with regard to reading. Some people likes looking at, not only science book but novel and The Watchtower or maybe others sources were given expertise for you. After you know how the good a book, you feel desire to read more and more. Science e-book was created for teacher as well as students especially. Those guides are helping them to add their knowledge. In various other case, beside science reserve, any other book likes The Watchtower to make your spare time a lot more colorful. Many types of book like this.
