Vístete para triunfar (Spanish Edition) Hada Maria Morales

El mercado de trabajo es muy dinámico y muchas personas no logran encontrar empleos por falta de preparación, no solo en el área académica sino porque no comprenden lo que el empleador piensa o desea. *Vístete para triunfar* se enfoca en pasos sencillos que usted puede seguir y así aprovecharse de estas ventanas de oportunidad. La autora Hada María comparte tres elementos de profesionalismo: la actitud, la apariencia y la preparación para luego explicar que la clave es combinarlas y usarlas sabiamente. No hay uno de esos elementos que sea superior al otro; cada uno de ellos necesita el apoyo de los otros para poder conseguir el resultado deseado. Este libro expresa los temas fascinantes y casi incontables del proceso de una búsqueda de trabajo, el «arte» de una entrevista, de trabajo exitosa y de aprender a pensar como un empleador.
