Love and Games (3 Book Series) Rachel Harris

From Book 1:

One sexy fire captain. One Cajun chef. One combustible kitchen...

When chef Colby Robicheaux returned home to New Orleans to save her family restaurant, the last person she expected to reconnect with was her brother's best friend and her childhood crush. As tempting as a sugar-coated beignet, Jason is one dish she can't afford to taste. Colby can't wait to leave the place where her distrust of love and commitment originated and go back to Vegas.

Fire captain Jason Landry isn't looking for love, either. Disillusioned by his past, he knows he should be focusing on finding the perfect mother for his daughter. But when he first sees Colby, all grown up and gorgeous, he can't help but be drawn to her. And when she suggests a no-strings-attached fling, Jason can't say no.

As their relationship grows more intense, Colby finds that Jason isn't as easy to leave behind as she thought. Could turning up the heat on something real be worth the possibility of getting burned?
