Life is so precious, and can often be taken for granted. Having children and even the ability to conceive children can also be taken for granted, except when you find yourself in a situation like mine. This is a true story about me having seven miscarriages, and God blessing me with three biological sons. I wanted to share my story with the world, and tell everyone that Jesus is still performing miracles today. I had every desire to have a family, but no control over the seven miscarriages that prevented this from happening. My doctors had no remedies to fix such a confusing situation, and no answers as to why it was occurring. But thank you Jesus, my story didn't end there. Five years, seven doctors, and eight pregnancies later, my future began with New Beginnings, and continues with *My Three Kings!*
