Padres e hijos (Spanish Edition) Claudia Panno

Todos creemos que somos padres perfectos hasta que los hijos nos demuestran lo contrario. Este libro está dirigido a la nueva generación de padres que pasó de exclamar: “No quiero que mi hijo sufra lo que yo he sufrido” a “Ya no puedo con él”. Es la Guía infalible para los adultos sin GPS que nos esforzamos por tunear el último modelo de familia que tuvimos para convertirnos en pilotos de Fórmula 1, pero nos la pasamos patinando por la pista. Encontraremos las “Claves para dar en el clavo y criar hijos felices”, “Los siete defectos más comunes de los padres y cómo disimularlos”, “Los derechos del niño para que no salga torcido”. También aprenderemos a contestar con la verdad cuando el pequeño nos pregunte: “¿De dónde vienen los niños? ¿De París o del Kamasutra?”. La Guía, además, propone un plan B de educación: Si ya pasamos del traje militar al de neoprene (en el que todo nos resbala), ¿por qué no probar con el de mago, que viene con la bola de cristal?
