Ronald Reagan: Champion of Conservative America (Routledge Historical Americans) James H. Broussard

Few politicians in recent American history are as well-known as Ronald Reagan, the 40th U.S. president. An iconic leader, Reagan shifted the direction of American politics toward a newly vigorous conservatism. Though he began his career as a New Deal liberal, by the end of the 1950s, Reagan had embraced conservative views. His presidency saw the longest peacetime prosperity in American history, as well as the fall of the Berlin Wall and the end of the Cold War, but also skyrocketing deficits and the Iran-Contra scandal. In the twenty-first century, Reagan's legacy is both pervasive and contested, with supporters and detractors often divided along partisan lines. Yet Reagan's own actions did not always fit into partisan boxes.

In a clear-eyed and insightful narrative, James H. Broussard cuts through the mythology of both sides to produce a nuanced portrait of Reagan in his historical context. Supported by primary sources and a robust companion website, this concise biography is an ideal introduction to this fascinating president and the issues that shaped America in the late 20th century.

Routledge Historical Americans is a series of short, vibrant biographies that illuminate the lives of Americans who have had an impact on the world. Each book includes a short overview of the person's life and puts that person into historical context through essential primary documents, written both by the subjects and about them. A series website supports the books, containing extra images and documents, links to further research, and where possible, multi-media sources on the subjects. Perfect for including in any course on American History, the books in the Routledge Historical Americans series show the impact everyday people can have on the course of history.

Don't be worry if you are afraid that this book will probably filled the space in your house, you will get it in e-book approach, more simple and reachable. That Ronald Reagan: Champion of Conservative America (Routledge Historical Americans) can give you a lot of good friends because by you investigating this one book you have point that they don't and make you actually more like an interesting person. This book can be one of one step for you to get success. This book offer you information that perhaps your friend doesn't know, by knowing more than some other make you to be great men and women. So , why hesitate? We should have Ronald Reagan: Champion of Conservative America (Routledge Historical Americans).

Robert Hyde:

As a pupil exactly feel bored to reading. If their teacher expected them to go to the library or even make summary for some book, they are complained. Just tiny students that has reading's internal or real their leisure activity. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that reading through is not important, boring in addition to can't see colorful photographs on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Ronald Reagan: Champion of Conservative America (Routledge Historical Americans) can make you experience more interested to read.
