Knitters who have mastered the designs in Marianne Kinzel's *First Book of Modern Lace Knitting* as well as needleworkers looking for distinctive knitted lace patterns and projects will welcome this second book by Mrs. Kinzel. The new designs include "Maidenhair," "Diamond," "Grand Slam" (a special feature for bridge players), "Arabesque," "La Traviata," "Maple Garland," "Lilac Time," "Trifolium," and a set of three of Mrs. Kinzel's noted floral patterns, "Daffodil," "Balmoral," and "Rose of England."

Marianne Kinzel, well known to knitters in the United Kingdom and the United States, has long been admired for her clear presentations and original designs. In this second volume, she begins with basic instructions, allowing the average knitter to work easily from the instructions in the patterns. Other chapters outline many new designs in lace knitting for two needles, for knitting with wool, for oval and oblong designs, and for round designs. Over 29 complete projects include lace by the yard, altar lace, dress trimmings, tea cloths, scarves, stoles, dinner cloths, and cheval sets. Instructions are presented both in the traditional written-out method and in the chart-and-symbol method. There are keys to the charts in the three languages, lavish and helpful illustrations, and sound practical advice on knitting techniques plus finishing and laundering each piece. There are also instructions for altering the patterns to your own special needs. The designs in this book are among Marianne Kinzel's most requested. Amateur and professional knitters alike will note the extraordinary virtuosity underlying such a design as "Lilac Time," which can be adapted to so many different forms, and the contemporary appropriateness of such designs as "Grand Slam," "La Traviata," and the "Daffodil," "Balmoral," and "Rose of England." You will also find the projects comparatively short in time and low in cost to accomplish.
