Your career as a writer is blossoming, your beautiful, young fiancée is waiting to get married and rush off to Cancun by your side—so what is your natural reaction? Well, if you're a man, it's probably to get nervous and start calling up old girlfriends. And so begins a single man's odyssey through four hotel rooms as he flies across the country in search of the perfect woman (that he's already broken up with). *Some Girl(s)* is the latest work from Neil LaBute, American theater's great agent provocateur. In grand LaBute fashion, this by turns outrageously funny and deadly serious portrait of the artist as a young seducer casts a truthful, hilarious light on a typical young American male as he wanders through the heart of darkness that is himself. This edition includes a deleted scene.
