In a remarkably honest, no holds barred account; Kashyap – himself a serial entrepreneur – demystifies the technology ecosystem that exists in India today. From the origins of Amazon and Google, to the remarkable growth of Flipkart and Ola, he meticulously plots and chronicles a connected global sequence of events.

Set in this background he recounts his personal roller coaster of a life. A story filled with ambition, greed, vanity, fear and success that all young entrepreneurs can relate to.

Is this the business model of the future? Or merely a game of poker played by master investors? The answers pour out of The Golden Tap.
