A Cold Dead Place Anthony Tyler

Enter Planet "Earth". It is a cold, dead place. Agent Kale Taggens knows this, Detectives Jerry Howard and Ray Combs know this, and Officer Dave Winslow does as well. Donny Matheson, however, is just learning.

When a lethal viral outbreak in the US is revealed as a government cover-up on live television, four extra-dimensional entities in black cloaks are revealed to be behind the waves of unnatural deaths. Upon announcing their need for the teenager Donny Matheson at all costs, they promise the continuation of civilian death every day that he is out of their grasp.

Agent Kate Taggens, field agent of the UOIA (Unusual Occurences Investigative Agency)an ominous government branch of services, is sent to find and retrieve Matheson before the body count rises.

Jerry Howard, Ray Combs, and Dave Winslow find themselves with nothing left but a fighting chance against these four cloaked beings called "The Fallen". But will any of it matter in the end?

Welcome to a cold, dead place.
