Ageless Entrepreneur: Never Too Early, Never Too Late (The Entrepreneurial Edge)

Fred Dawkins

Ageless Entrepreneur: Never Too Early, Never Too Late (The Entrepreneurial Edge) Fred Dawkins *Ageless Entrepreneur* offers a new perspective on the barriers to entry that young people face today in starting their careers as well as valuable insights into the possibilities for seniors, who all too often are being forced out of the work force when they can least afford it.

Entrepreneurial guru Sam Macleod leads an improbable group of would be entrepreneurs into new challenges and unexpected alliances that revitalize their future. Spearheading the group is Sam's boyhood friend Nick, who like so many others has received the golden handshake prematurely.

Throughout the narrative, the qualities required of an entrepreneur operating in an economy burdened with barriers and limitations are brought out through discussion and a wide range of anecdotes. The story draws us right into the class as we share in the fears, hopes, and challenges faced by the characters. The lessons provide a solid foundation for anyone considering a career as an entrepreneur or simply looking to make sound strategic decisions in managing their career, no matter what their age or circumstance.
