Parents often experience a “freak out” moment when they realize their children’s view of God will primarily come from what they learn at home. Most parents spend more time helping their kids succeed at academics or athletics than infusing shared spiritual experiences into the rhythm of everyday family life.

While the idea of strategically passing down our faith can seem intimidating, the annual Rites of Passage Experiences contained in *Pass It On* make it easy for your family to celebrate milestones from kindergarten through high school graduation. Forever change the direction of your family’s spiritual legacy ... starting now!

He has more than 1.5 million resources in print and a radio broadcast heard on 800 stations a day. Jim resides in Southern California with his wife Cathy and their three daughters.
