In the depths of the jungle lie mysteries drenched in blood.

Ethan Foster has spent a lifetime as a guide and bodyguard for archeologist Heathcliff Pascal. They've survived more adventures than they can count, but now, deep in the jungles of Central America, they discover a secret hidden from the world for centuries: the Cult of the Black Jaguar, presided over by an immortal goddess whose beauty is matched by her cruelty. She needs the blood of a virgin to bring her army back to life, and she's found one in Heathcliff's daughter, Jenny. It's up to Ethan to stop her. It might seem an impossible task, but Ethan has secrets of his own. Dark secrets.

Before the night is over, blood will be shed, and only one man—or monster—will survive.
